MEMORANDUM FOR: Director of Central Intelligence

VIA: Inspector General

SUBJECT: Manpower Controls - DD/P Area

REFERENCE: Memorandum for DCI on above subject dated  
13 September 1954 (attached).

1. The Manpower Survey Reports on the FE and EE Divisions have only recently been received by the DD/P and are now under detailed study.

2. A preliminary study of these reports indicates that the conclusions and recommendations of reference memorandum are at least open to some question and that some other solution may be more appropriate and perhaps less complicated.

3. It is the desire of the DD/P to study carefully the Manpower Survey Reports on all of our Area Divisions before arriving at definitive conclusions and making specific recommendations for any indicated essential corrective action. It is requested, therefore, that action on the recommendations contained in reference memorandum be deferred until the DD/P has had an adequate opportunity to further study this problem and submit his recommendations.

4. We will proceed with this study expeditiously and there will be no undue delay in the submission of our conclusions and recommendations.
